General Information
The Owner Advantage Rewards Program (the “Program”) is brought to you by Ford Motor Company (“Ford”) and the Ford or Lincoln Dealership at which you enrolled in the Program (“your dealership”). The Program including but not limited to rewards generated and/or redeemed, is only applicable to the dealership at which you have enrolled. Membership is valid only at the dealership that enrolled you. Each dealership is independently owned and operated and program benefits may vary. See your dealership for complete Program details including information on benefits offered by your dealership.

Membership
Membership in the Program at your dealership (“Membership”) is open to U.S. residents (excluding U.S. territories) who are 18 years of age or older. Your dealership may enroll you in the Program, upon your consent, during your service visit or vehicle purchase process. There is no fee to enroll and membership can be canceled at any time without penalty. You may have separate memberships at more than one dealership. Membership and benefits shall be considered void where prohibited by law.

All individuals within a household, defined as follows, may share one Membership. “Household” is defined as individuals who are spouses, domestic partners, siblings, parents or children of the household’s primary member and who live at the primary member’s address. “Primary Member” is defined as the individual in the household who enrolls the household or, in some cases, the member who has been pre-assigned as the primary member by Ford or your dealership. All individuals within the household accrue and redeem in the same Membership account (“Account”). Each individual may belong to only one household. Membership and Program benefits are not transferable to individuals outside the household. By participating in the Program, you expressly agree and consent to the disclosure or transfer of your account(s), to another dealership, at the discretion of Ford Motor Company.

Employees of the dealership are not eligible for membership. Your dealership or Ford may waive the exclusions described herein in general or on a case-by-case basis at their sole discretion. Membership is not available to corporations, organizations, fleet, or legal entities. Ford or your dealership may, at their sole discretion, determine which individuals, vehicles or addresses constitute a household, and may combine or separate accounts or separate individuals into multiple accounts at any time and at its sole discretion. Ford and your dealership are not responsible or liable for disputes regarding the eligibility of a person to redeem rewards from an account.

Earning Rewards
As a member of the Program, you may earn Service Rewards: a one-time $10 enrollment bonus, a 5% reward amount on the amount you pay for qualifying parts and services purchased at your dealership, rounded down to the nearest penny, and a complimentary oil change. Once you have purchased four oil changes at its sole discretion, your dealership may choose to change the number of oil change purchases required to earn a complimentary oil change. See your dealership for complete details regarding service rewards offered to members.

Your dealership may, at its sole discretion, choose to allow you to earn Sales Rewards: a complimentary oil change with the purchase of a new, used, or certified pre-owned Ford or Lincoln vehicle; and rewards which may be applied toward a future purchase of a new Ford or Lincoln vehicle. Sales Rewards cannot be earned on purchases of vehicles through a Ford employee, Partner Recognition, or dealership employee plan. Furthermore, participants of aforementioned employee programs should see the dealership for additional details and limitations.

You may also be eligible to earn special member incentives provided by Ford or your dealership. Certain restrictions may apply. See your dealership for complete details.
Program Rewards may be earned or redeemed only when you show government-issued picture identification at the time of payment at your dealership. The person who pays for a purchase designates the Membership account into which Program Rewards will be credited. No adjustments that would increase your Membership account balances will be made after payment is made in full, the service or vehicle sale is complete, or the vehicle or part is delivered, whichever occurs first.

Reward calculations are based upon dollars paid at checkout on eligible purchases. Eligible purchases do not include program rewards, any other deductions to the amount directly paid by you, applicable taxes and/or fees, warranty repairs, body shop repairs, fleet or wholesale purchases, or other charges determined by Ford or your dealership.

In certain cases, you may be required to pay a minimum amount directly “out-of-pocket” to earn a Program Reward. When parts, vehicles, or other purchases are returned or an adjustment is made to a prior transaction that accrues Program Rewards, the associated Program Rewards will be deducted from your account. If the purchase of a vehicle is cancelled, no Program Rewards for that purchase will be credited to the member. Households are entitled to no more than one enrollment bonus per dealership. Program Rewards have no cash value and are nontransferable. Ford and your dealership are not responsible for communications and account information lost due to change of address or other contact information. Your dealership, not Ford, is responsible for delivering the Service and Sales Rewards described in this document. See your dealership for complete Program details. Ford does not have any liability or obligation with regard to Rewards issued by your dealership.

**Redeeming Rewards**

You are eligible to redeem Service Rewards on eligible service transactions and parts purchases at your dealership. A service or parts purchase may be required in order to redeem rewards. Service Rewards may be used in conjunction with most other discounts or offers toward the purchase of products or services, not to exceed the purchase amount. Within one calendar year, a member may redeem a maximum of $500 in Service Rewards.

You may be eligible to redeem a Dealer-specified number of Service Reward Oil Change credits for a complimentary oil change. A complimentary oil change must be of equal or lesser value than the lowest price paid for the paid oil changes purchased to earn the reward. Within one calendar year, a member may redeem a maximum of five complimentary oil changes.

You may be eligible to redeem Sales Rewards on eligible purchases of new Ford or Lincoln vehicles. The maximum amount of Sales Rewards that may be redeemed is $500 per vehicle. Sales Rewards may be used in conjunction with most other discounts or offers toward the purchase of the vehicle. Sales Rewards cannot be redeemed on purchases of vehicles through a Ford employee, Partner Recognition, or dealership employee plan.

You may also be eligible to redeem special member incentives provided by Ford or your dealership. Certain restrictions may apply. See your dealership for complete details.

Service and Sales Rewards may only be redeemed at your dealership. Redemption can only occur for rewards offered by your dealership. Each transaction involving a reward redemption, may include Rewards redemptions from only one account. Program Rewards cannot be earned or redeemed for certain products and services or prior purchases. Additional Ford and dealership restrictions may apply, see your dealership regarding restriction details. If any taxes are owed associated with redemption, you are responsible for paying those taxes. See your dealership for details regarding redeeming rewards and rewards expiration.
